Feb. 7, 1916
To the Rector of the Episcopal Church
Laramie, Wyoming

Rev. Sir:

Can you inform me if you have any church record of the birth and baptism of Julia Rumsey, daughter of Henry B. Rumsey and Helen Edgerton Rumsey, formerly residents of Laramie? To the best of my knowledge Julia Rumsey was born in Laramie in June 1875. Mrs. Rumsey, now a widow, is my sister and she with her daughter, Julia, have been residing in Germany nearly fifteen years. I am told that it is important--at least available--that they provide themselves with "certificates" of their American birth. As to Mrs. Rumsey, all I know is that she was born in the City of New York on or about Oct. 1, 1842. I am, at this time, writing to our State Dept. for advice in the matter; but, in the mean time, thought possibly, that a "birth certificate" might obtained in the case of Julia Rumsey from Laramie Records; and that the records of your church might cover the case of Helen E. Rumsey, widow of Henry B. Rumsey, as I feel sure she must have been a communicant in the Episcopal Church in your city, during quite a long residence there. I will be greatly pleased if you can give me any assistance in the matter.

Very respectfully,
C. W. Edgerton, c/o First Nat. Bank

Dear Mr. Edgerton:

I have your letter of the 7th inquiring about one Julia Rumsey. In regard to the baptism of Julia Rumsey, I find this entry in the parish register: Julia Rumsey, baptised August 14, 1875. Parents (?) James Rumsey (Corrected--error--should have been entered as Henry Barlow Rumsey - James was a younger brother of Henry B. Henry B. was a Lt. Commander in the U. S. Navy (retired) and may have been known as "Captain" Rumsey in Laramie - please correct!) and Mrs. Helen Rumsey, signature of Clergyman G. Johnson, Place - Laramie. There is no record of date or place of birth, I am sorry to say. The name which stands where the question mark is, I cannot read, but it looks like this: Capt. Maybe you know

enough about this James Rumsey to guess what this stands for. I find no other entry for Julia Rumsey. I find this other entry: James Barlow Rumsey, born Fort Wayne, Ind., Nov. 22, 1841; Parents: Philo and Rebekah (Rockhill) Rumsey; Sponsors: Philo and Helen (Edgerton) Rumsey; Baptized Sept. 16, 1876, by the Rev. John Cornell. This is correct. Under the head of families I find Henry Barlow Rumsey, Helen (Edgerton) Rumsey, and Henry (Edgerton) Rumsey, their son. I am sorry that this information is so meagre. If you look over the above data, and let me know what specific part of it you desire, I shall be glad to send it to you. I do not understand the difference in the names of the parents of Julia Rumsey as indicated on the records, and those you gave me.

Faithfully yours,
D. W. Thornberry

Dear Sir:

Your kind response to my inquiry in the Rumsey birth matter has been rec'd, and I thank you very much. I return your letter, noting therein and explaining how an error must have been carelessly made in regard to the name of Julia Rumsey's father. I am also sending you a draft for some such form of certificate as you might furnish me, that would help in establishing the proof of birth of the parties interested. I am in position to fully establish here, other factors necessary by sworn statements or affidavits; which, in the absence of vital statistics, of record, is the best I can do. Very likely you can improve on the form of certificate I have drafted and enclose; if not, the same, as submitted, will answer. Please inform me in what amount I can compensate you for your time and trouble.

Very Respectfully,
C. W. Edgerton (Brother of and Attorney
in Fact for Helen E. Rumsey)

Suggested draft for forms of Certificate: To whom it may concern: As the present (pastor or rector) of _____ Church in Laramie, in the State of Wyoming, in the United States of America, in charge of the records of said Church and Parish, I hereby certify: That I have examined the records of said church and parish and find: On the 14th day of August, in the year 1875, Julia Rumsey, daughter of Henry Barlow Rumsey and Helen (Edgerton) Rumsey was baptized in said parish as

evidenced by the Signature of _____ the clergyman officiating. While no vital statistics more than script for said parish and for the then "Territory of Wyoming", upon information I know to be reliable and authentic. I can further certify that Julia Rumsey was born in Laramie, in the Territory (now State) of Wyoming, in the United States of America, in the month of July, in the year 1875 and further, that the said Henry Barlow Rumsey and Helen (Edgerton) Rumsey, the parents of said Julia Rumsey, at the time and prior to the birth of said Julia Rumsey, were residents of Laramie and enrolled as members of said church and parish, as shown by the records thereof; and that said Henry Barlow Rumsey and said Helen (Edgerton) Rumsey were both born in the United States of America. Signed _____ _____ 1916 at Laramie, in the State of Wyoming in the United States of America.

Any imprint of Church Seal or other evidence of Official Authority that might be affixed to the above would, of course, help some in Germany.

Rev. D. W. Thornberry, Laramie, Wyoming

Dear Sir:

I wish to thank you for your kind and prompt service to Mrs. Rumsey and her daughter in furnishing the desired certificate which came to me today. I find I was correct in all but one matter when I wrote you last--I gave the date of Julia Rumsey's birth (according to my best recollection) as being in the month of July, when it should have been June and felt justified in correcting the matter in your certificate. In the hurry of attending to this matter, at a time when our family is scattered, with the "family bible record" locked up in my brother's house in the north at a time when he is wintering in Florida, I have been somewhat handicapped in getting the actual birth dates required. Very fortunately I found just what I wanted here in possession of one of Mrs. Rumsey's childhood companions as a "Birthday Bood" in which Mrs. Rumsey and her daughter had autographed their birthdays. Julia Rumsey was born in Laramie on the 3rd of June, 1875 and her Mother in N. Y. City on Oct. 2, 1842. On this positive evidence I have been able to procure and forward sworn statements from parties here which are supported by the certificate you have so kindly and promptly sent me based on your church record. I fully appreciate your feeling in omitting any reference to compensation for "time and trouble", but take the liberty of enclosing a five dollar bill of which on behalf of those you have so kindly assisted, I will ask you to make such use as seems to you proper.

Very sincerely and thankfully, Yours,
C. W. Edgerton

St. Matthew's, Laramie, Wyoming

This mission was opened nearly 30 years ago (1865) by Bishop Randall as nearly as I can learn--no records of its commencement or later history have ever reached my hands. Even the last 3 or 4 Rectors have left no summary of their residence here.

I succeeded the Rev. E. H. Parnell, Dean, the first Sunday in March 1895! During my brief sojourn the efforts of the people have been directed toward raising money for the floor of the new Cathedral now nearly completed.

I leave here October 1, 1895 to assume charge of Atchinson, Kansas.

John E. Bulger
Dean
